Thoney's Claims for \$3,160 Disallowed.
Cincinnati, O., April 10.—The national baseball commission today disallowed claims by Player John Thoney for salary aggregating \$3,160. The commission held that Thoney's claim for \$3,480 salary against the Boston Americans in 1910 was invalid because he did not give the club service and refused to report to it when informed he would be useful as a coach.

The claim for \$160 salary against the Jersey City club, also disallowed, was for salary paid him at the end of the Jersey City club's season and that of the Boston club, which had released him to the former.

Umpiring Staff of N. E. League Completed.
Boston, April 10.—Secretary J. C. Morse of the New England baseball league tonight announced the completion of the league's umpiring staff for this season by the engagement of John Kiffin of East Boston. The other members previously engaged are H. J. Doherty, J. E. Starnes and Charles Langrish. Mr. Kiffin, who will take the place of Umpire Thomas Bannan of Lynn, was formerly an umpire in the New England league and later in the American and Western leagues.

Drucke Receives Damages.
New York, April 10.—The suit brought by Louis Drucke, the big pitcher for the New York Giants, against the Interborough Rapid Transit company to recover \$25,000 for an injury to his back which Drucke sustained in a subway train in October, 1910, was settled out of court today. It is not known what the terms were, but from attorneys for both sides it was learned that the pitcher received a substantial sum.

DIABETES
Treatment That Costs Nothing if It Fails to Benefit.

Diabetes has long been considered an incurable disease, and the only hope held out to patients has been to prevent their pain by abstaining from a sweet diet, and to keep the blood sugar down by the use of insulin. But now a new method has been discovered, and the cure is within the grasp of all who are afflicted with this terrible disease. The new method is simple, and the cure is permanent. It is the only method that costs nothing if it fails to benefit.

Puts End to Bad Habit.
Things never look bright to one with "the blues." Ten to one the trouble is a sluggish liver, filling the system with bilious poisons that Dr. King's New Life Pills would expect. Try them. Let the joy of better feelings and "the blues" be left for stomach, liver and kidneys. 25 cents at Lee & Osgood Co.

First Game With Greenville Nine

Academy Open Baseball Season This Week—Squad of 20
Trying Out—Seven of Last Year's Team on Hand.

The Norwich Free Academy baseball team will open the season Saturday afternoon with a game with the Greenville team on the home diamond. Captain Bob Fletcher has a squad of about 20 men working out every afternoon, among them seven of last year's nine. Fletcher, Standish, Lord, Croker, McKay, Burns and Robinson. Croker will be at his old station in the pitcher's box. Captain Fletcher will occupy the initial spot. Eddie Murray is slated for short and Standish right field. The other positions are as yet unsettled. Besides these veterans, there is considerable promising young material. Under the efficient coaching of F. B. Leonard, last year captain and catcher of the college nine, the Academy should be represented on the diamond this year with a team capable of duplicating the work of last season's nine, the league champions.

As soon as the regulars are hitting their stride a second team will be organized. The boys have received their new caps, stockings and jerseys, the latter crimson, with narrow white stripes on the sleeves.

Saturday's game will be the first on the Academy grounds since the diamond has been leveled and refinished. Although somewhat rough at present, the grounds will be rolled and put in first class shape by Saturday. The walnut tree which was located behind the backstop has been removed, giving the team a clean field.

Manager W. C. Coughlin has arranged a schedule of 27 games for the Academy season.

BIG LEAGUES OPEN TODAY.
Managers Announce Batteries for the Opening Games.

All is in readiness for the opening of the major league baseball season today. The weather prophet promises good baseball weather and big crowds to see Chicago and Chicago begin the American and National league pennant races.

With fair weather, it is predicted that the largest crowd that ever witnessed a baseball game in Cincinnati will be in attendance at League park to see Chicago and Chicago begin the National league season. This is made possible by an enormous grandstand which was built during the last winter. With the exception of Chicago, the Cincinnati team will present practically the same front with which they ended the season last year, while little change will be seen in the Chicago team.

At Boston, the Boston Nationals meet the Philadelphia team. The lineup of the home team will be that of the regular team on the training trip. Tyler probably will pitch.

At Chicago, Pitches Edward Walsh and Catcher Billy Sullivan, veteran battery mates, have been selected by Manager Callahan to oppose St. Louis in the opening game of the American league season. Manager Wallace of St. Louis plans to use Pitches Peltz and Catcher Stephens.

At St. Louis, Harmon is slated to

pitch the opening game for the home team against Philadelphia.

The fight went ten rounds. Houck was badly beaten, his face being much battered.
